Basis of cover

Medical emergencies: **You** must seek the advice of a **medical practitioner** before **you** incur any **cancellation** or **curtailment costs** prior to **your** trip. If **you** are already on **holiday**, then **you** must speak to **our** medical claims team before **you** incur any expenses. Cover under section B on page 9 for medical expenses will not apply to **trips** within the **United Kingdom**.

Policy limits: All sections of this policy have limits, which is the maximum amount that **we** will pay if **you** make a claim. These are shown in the 'Summary of cover' and '**Your** cover' sections. There are also specific and reduced limits for the following:

- **Personal effects** and baggage – a deduction is made for wear and tear for certain items, refer to page 16. There are also specific limits for **single items**, **valuables**, claims on behalf of **children** and items where **you** have no proof of purchase (e.g. an original receipt or insurance valuation).
- **Personal money** - claims on behalf of **children**.
- Personal accident - claims on behalf of **children** aged under 18, and adults aged over 65.

Sporting activities: Golf cover and **winter sports:** **You** are only covered for golf or **winter sports** if this is shown on **your schedule**. Otherwise **we** will only cover the **sports and leisure activities** listed on page 30 - 31 unless shown on **your schedule**.

Period of cover: The **period of cover** **you** have selected will be shown on **your schedule**. This is either:

- **Single trip:** The policy will only operate for the duration of **your holiday** shown on **your schedule**, with the exception of cancellation cover (section A1 on page 10), which is effective from the date of issue shown on **your schedule** and expires on the date that **you** start **your holiday**.

- **Annual multi-trip:** The policy will operate for the 365 day period shown on **your schedule**. During this time any **trip** within the **geographical limits** is covered, as long as it does not exceed 31 days, or 45 days, if **we** have accepted this in writing and **you** have paid the appropriate premium. Cancellation cover (section A1 on page 10) is effective from the start date of **your** policy or the date that the **trip** is booked – whichever is later – and expires on the date that **you** start **your holiday**.

In all cases all other sections of cover will commence on the date that **you** start **your holiday** and will expire:

- Either on the end date of **your** trip as shown on **your schedule**; or
- When **you** return to the **United Kingdom** and end **your trip** - whichever of these occurs first.

If **your** return to the **United Kingdom** is unavoidably delayed by an event which **you** are claiming for under this policy, then the duration of the **period of cover** will be automatically extended if required, to cover the delay.

What to do in the event of a medical emergency

You must tell us immediately if you need to go into hospital, so that we can confirm your cover before you incur any expenses. The claims handler will direct you to an appropriate medical facility and may also be able to guarantee your costs. Failure to notify the claims handler may affect your claim and result in us not paying part or all of your costs.

Contact **our** claims handlers as soon as possible quoting the following:

Scheme name: Benefits Alliance Travel Insurance
Scheme reference: 02486J

| Our claims handler | Their contact details, dependent on your location |
|---------------------------|---|
| Global Response | If you are admitted to hospital, anywhere in the world: +44 (0) 113 3180 197 |
| | Outpatient treatment in the UK & North America: +44 (0) 113 3180 197 |
| Healthwatch S.A. | Outpatient treatment anywhere else in the world: +44 (0) 113 3180 124 |

You must retain all receipts for any medical or additional costs which **you** incur. Please note that **you** are responsible for the policy excess, which may need to be paid at the time of treatment. There are particular instructions for payment of invoices for outpatient treatment. Please refer to 'Making a claim' on page 24 for details of these.

Medical screening questions

The following questions apply to all persons insured under this policy AND their relatives or travelling companions

You will have been asked these questions when purchasing your cover. However, if **you** answer 'YES' to any of the four questions below - and **you** have not already told **us** about these conditions and received written confirmation of them from **us** please contact your issuing broker as soon as possible.

Have **you**, or anyone named as an 'insured party' on **your schedule**, or any of **your relatives**:

Ever:

1. Received a terminal prognosis?
2. Suffered from, been investigated for, treated for or diagnosed with:
 - a) Any cancer or malignant condition; or
 - b) Any lung, heart-related condition, or circulatory condition including angina or hypertension?

Within the last 12 months:

3. Required referral to, or consultation (including appointments) with, a **medical practitioner**?
4. Required hospital treatment, investigation or check-ups (including routine check-ups)?

You must tell us about all medical treatments, appointments, tests, investigations, medical conditions or illnesses that apply to **you**, or anyone named as an 'insured party', or any of **your** relatives. This is because we will not cover pre-existing medical conditions unless we have specifically accepted these in writing.

A pre-existing medical condition is any illness, injury, disease or condition which:

- **You** are currently receiving treatment for; or
- **You** are waiting to receive treatment for; or
- **You** have previously received treatment for in the past.

'Treatment' means any consultation, session, advice or diagnosis from a **medical practitioner**.

This includes claims for cancellation or curtailment if a relative becomes ill or dies. If **you** do not tell **us** about **your** condition(s) then they will be automatically excluded under this policy.

We are not able to offer cover for any medical conditions where **you** are travelling against medical advice.

All details that **you** supply will be confirmed to **you** in writing by **us**, along with a statement showing which – if any – medical conditions **we** have agreed to cover under **your** policy, and any which **we** have excluded. In the event of a claim relating to medical condition(s), **we** will check the details of **your** claim against the answers **you** gave to the medical screening questions. Any condition which was not notified and confirmed by **us** in writing as being covered, will be excluded under this policy – this means that **we** reserve the right not to pay any claim that arises as a result of that condition.

General Policy Conditions

All travellers insured under this policy must comply with these conditions in order to be covered

1. All claims are subject to an excess, which **you** must pay before **your** claim can be completed or may be deducted from your claim. These are shown at the start of each section of cover. Excess will be applied per person or per family, per section and per incident which has led to a claim.
2. If you are travelling to European Union countries, you should obtain a European Health Insurance Card (EHIC) postal application form from your local Post Office. You can also apply either online through www.dh.gov.uk/travellers or by telephoning 0845 606 2030. This will entitle you to benefit from the reciprocal health agreements, which exist between certain European countries. In the event of a claim being accepted for medical expenses which has been reduced by the use of an EHIC, or Private Health Insurance, the deduction of the excess under the medical section will not apply. When you are travelling to Australia and you have to go to hospital, you must register for and make use of the treatment offered under the national Medicare scheme.
3. If you intend to participate in a category two, three or four **sports and leisure activity**, **you** must tell us about this before **you** travel and pay an additional premium and **we** must confirm **our** acceptance in writing. Please note that **we** will not cover:
 - Any category two, three or four activity which is not noted on **your schedule**;
 - Any **child** under 10 years old if they are not supervised by an adult; or any person aged 66 or over;
 - Any person who receives financial reward (e.g. payment or prize money) as a result of participating in the activity;
 - Any liability arising directly or indirectly from **you** participating in a **sports and leisure activity**.
4. Reasonable care – illness and injury: **You** must take reasonable care to avoid illness and injury, including when participating in a **sports and leisure activity**. At all times, **you** should follow the directions of leaders/instructors, and the recommended safety procedures for that activity, to ensure **your** own wellbeing as well as the safety of those around **you**.
Reasonable care - loss or damage to **your** property: **You** must not leave **your** property unattended if it is in a place where it is accessible to the general public. ‘Unattended’ means not visible to **you** and not within **your** arms’ length reach. **We** will not pay any claims for property left unattended in publicly accessible places. **Personal money** must be carried on **your** person, or locked in a safety deposit box or other similar locked and fixed secure location. **We** will not pay any claims for theft of **personal money** which was not carried or kept in accordance with this condition. **You** must act as though **you** are not insured.
5. Theft claims (including loss of **personal money**) must be reported to the Police as soon as possible after **you** discover the theft and a written Police report obtained confirming the loss. For theft claims from **your holiday** accommodation or motor vehicles, the report must confirm if there were signs of force and violent entry or exit. For theft claims from your holiday accommodation, a report from the accommodation owner confirming unauthorised access to your accommodation is required. If items are left unattended (not visible to **you** and beyond **your** arm’s length reach) in a motor vehicle, they must be out of sight in a locked boot, glove compartment or covered luggage compartment. The maximum payable for theft from unattended motor vehicles is £100.

6. **You** must not act in a fraudulent way. If you or anyone acting for you:
- fails to reveal or hides a fact likely to influence whether we accept your proposal, your renewal, or any adjustment to your policy;
 - fails to reveal or hides a fact likely to influence the cover we provide;
 - makes a statement to us or anyone acting on our behalf, knowing the statement to be false;
 - sends us or anyone acting on our behalf a document, knowing the document to be forged or false;
 - makes a claim under the policy, knowing the claim to be false or fraudulent in any way;
 - makes a claim for any loss or damage you caused deliberately or with your knowledge; or
 - If your claim is in any way dishonest or exaggerated;

we will not pay any benefit under this policy or return any premium to you and we may cancel your policy immediately and backdate the cancellation to the date of the fraudulent claim. We may also take legal action against you and inform the appropriate authorities.

7. Subrogation – this means that **we** reserve the right to take over **your** claim after **we** have paid it, in order to recover payment from a third party. This may include taking legal action against third parties **in your** name. **You** must co-operate with **us** if **we** choose to do this; any action **we** take will be at **our** expense. In the event that property or liability covered under this policy is more specifically insured elsewhere, **we** reserve the right to seek a rateable share from the provider of the other policy – this does not apply to personal accident.

8. Any items which are the subject of a claim for damage, must be retained in case **we** need to inspect them – if required you will need to forward them to **us** at **your** own expense. Upon final payment of a successful claim, the items will become **our** property. However, **you** must not abandon property to **us**; **we** will notify **you** if **we** intend to take possession of the item.

9. This policy is governed by English law. If there is a dispute between **you** and **us**, then it will be dealt with in the court of the country where **you** are a permanent resident. This policy may not be transferred to any other person and will end either at the end of the **period of cover** or the date the policy is cancelled.

10. **You** are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act 2012 to take care to:

- supply accurate and complete answers to all the questions we or the administrator may ask as part of your application for cover under the policy
- to make sure that all information supplied as part of your application for cover is true and correct
- tell us of any changes to the answers you have given as soon as possible.

You must take reasonable care to provide complete and accurate answers to the questions we ask when you take out, make changes to and renew your policy. If any information you provide is not complete and accurate, this may mean your policy is invalid and that it does not operate in the event of a claim or we may not pay any claim in full.

11. There are certain changes which **you** must tell Benefits Alliance about, as soon as they happen. These are:

- If the answers to the medical screening questions change, for any person insured under this policy;
- Changes to the health of anyone whose health could affect **your** trip;
- If there are any changes to **your holiday** dates of travel or location, or if there are any changes to the persons being insured by this policy (e.g. a **child** is no longer in full time education, or you change your home address).
